WELCOME TO THE VILLAGE OF BAYSIDE

The stone lion gates erected in 1911 at Lake Drive and Fairy Chasm Road, which marked the original Donges, and Usinger estates are reminders that Bayside was once an area of a few large homes, summer cottages and farms. Before that, however, Native Americans fished and hunted here. The Sauk Indian Trail (now Port Washington Road) was the closest major trail. Chief Waubeka and the last of the Potowotamic Indians left the area in 1845.

In 1953, a small group of residents living in part of the former Town of Milwaukee met to discuss independent incorporation or annexation by the City of Milwaukee. The step into the future was made when 467 persons incorporated the Village of Bayside, with just under a square mile, on February 13, 1953. Growth continued and in 1955, the Fish Creek area in Ozaukee County was annexed. Today Bayside comprises approximately 2.39 square miles. About 81% of the total acreage is zoned for residential use; 15% is natural conservancy (the 225 acre Schlitz Audubon Center and the northern ravines of Nature Conservancy); and 4% comprises commercial, recreational and transportation use. There is no industrial property in Bayside. In 2004 there were 4,263 people living in approximately 1,611 homes.

The first village office was located in the original wing of Bayside School. In 1955, the first municipal building, usually called the Village Hall, was constructed. It was torn down in 1998 and a new Village Hall and Public Safety department was built in 1999. You will find this building at 9075 Regent Road, just north of the railroad crossing. The Village Manager form of government was adopted in 1956.

A popular Bayside attraction is the Schlitz Audubon Center, which has a history dating back to the turn of the century. The center formerly was known as the "Nine Mile Farm" (nine miles from the Schlitz downtown brewery or nine miles from Wisconsin Avenue – depending on which story you believe). The farm land was accumulated by the Uihlein family (owners of Schlitz) in a series of purchases beginning in 1885 and was in the beginning a working farm supplying food for the family, hay and grain for hundreds of brewery horses used to deliver beer by wagon, and a pasture and hospital for the horses in later life. After the 1930's when horses were replaced with trucks, the area remained undeveloped and was given to the Schlitz Foundation. In 1971, the Foundation donated the two hundred plus acres to the National Audubon Center for a nature center. Today the center offers many programs for the public.

Bayside is part of a wonderful metropolitan area, and we are sure that you will start exploring as soon as you are settled. Do not miss Doctor's Park (entrance at the east end of Dean Road in Fox Point), which is a Milwaukee County Park partially located in Bayside. The park offers beach access to Lake Michigan and many recreation areas.

We hope that you will feel at home in Bayside and that the information in this packet will help you. If you have additional questions, please call the Village Hall at (351-8811).

VOTING LOCATION:

BAYSIDE SCHOOL - 601 E. Ellsworth Lane (USE SOUTH ENTRANCE)
(register to vote at Village Hall or at polls - bring identification)

Dear Bayside Resident:

Congratulations on your choice of Bayside as a place to live. As Chief of the Police Department, I welcome you and your family to our community. The Bayside Police Department stands ready to assist your public safety needs 24 hours per day. We are proud to work in conjunction with the residents of Bayside in order to retain one of the lowest crime rates in the metropolitan area. This is due part to residents who call when they notice suspicious activity in their neighborhoods.

All of our police officers are not only responsible for patrol duties, but also are fully trained Emergency Medical Technicians (EMTs). We are equipped with the latest training and equipment in the metropolitan area and are proud to work with the North Shore Fire Department. We also operate a 24-hour dispatching center for Bayside, Fox Point and River Hills.

To ensure the safety of motorists and the many pedestrians, we operate both moving and stationary radar throughout the Village. The speed limit is 25 miles per hour on all streets except Port Washington Road and Brown Deer Road, in which the limit is 35 miles per hour. The lack of sidewalks and streetlights can make the streets hazardous at night. If you enjoy walking after dark, please wear light colors and reflective material. Reflective armbands are available, at no cost, at the Police Department. Bicycles are required to be properly equipped with lights at night and must adhere to the same "Rules of the Road" as motorized vehicles. Non-expiring bicycle licenses are required. They are available at the Police Department for \$10.00.

For your safety:

- If the tornado siren sounds during inclement weather, seek shelter immediately. **DO NOT CALL** the Police Department for information. Tune in to a local radio or television station for up-to-date information on storms. Testing of the tornado siren is on Saturdays and the second Wednesday of each month at noon.
- Any power outages should be reported directly to WE Energies. The power company does not typically update the Police Department as to when services will be restored. If you observe a power line down please call 911 immediately and stay clear of lines. Any flooding, if during normal working hours, direct your calls to the Department of Public Works at 247-7711 or 351-8811. After hours, contact the Police Department at 351-8800 and we will direct the call accordingly.
- If you observe a sick animal call the Police Department. If it is rabid, we will dispose of it. If it is injured, the department will attempt to secure aid for the animal.
- The Police Department will conduct home security and home fire safety checks if you request, call to make an appointment.
- If you are going on vacation and would like your home checked periodically by an officer, please call before you leave and we will place you on the vacation list.
- Village ordinance requires that all residences have numbers of their address clearly visible on both sides of the mailbox and on the front of the home.
- There is no parking allowed on Village streets at any time without permission. Call us at 351-8800 to request permission. Vehicles are otherwise routinely cited.

The Police Department offers a wide array of services to residents and citizens. Our mission is to serve the public in an intelligent manner. If we can be of assistance, please contact us. Welcome to Bayside.

Bruce Resnick
Chief of Police

Village of Bayside Facts & Information

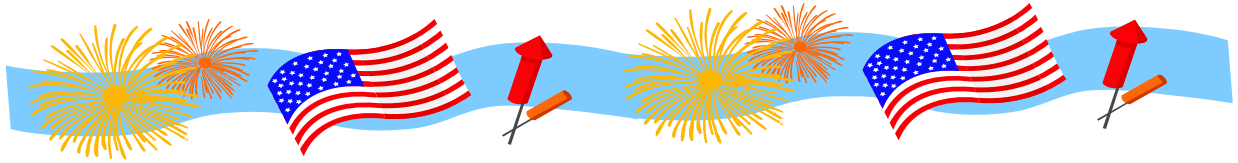

- ◆ The population in 1970 was 4,461. In 2005, it was 4,263.
- ◆ The sewer system is connected to the Milwaukee Metro Sewer District.
- ◆ The majority of the homes in Bayside have private wells.
- ◆ WE Energies provides water service in the Pelham Heath and west of Port Washington Road from Brown Deer Road to Laramie Lane area.
- ◆ There are five water trusts in Bayside: North Shore East, Vista Del Mar, Northway #1, Northway #2 and Santa Monica Blvd.
- ◆ A newsletter, *Inside Bayside*, is published four times a year and distributed to residents.
- ◆ Channel 25, a cable channel, contains Bayside information for village meetings and community updates.
- ◆ The Village Board usually meets on the first Thursday of each month. Other supporting committees meet monthly. Call the Village Hall for times and dates.
- ◆ Tax payments can be made in three installments, the first installment is due by January 31st; the second installment is due by March 31st and the third installment is due by May 31st of each year. If you choose to pay your taxes in full, the deadline is January 31st.
- ◆ A rummage sale requires a permit. Call the Village Hall for fee amount.
- ◆ If you sell your home, a compliance inspection is required of your sump pump and smoke alarm system.
- ◆ Home occupations involving more than 10 hours per week should be registered with the Village.
- ◆ Village Hall office hours are:

Monday through Friday
8:00 am to 4:30 pm
Phone: 351-8811

SPECIAL EVENTS

ANNUAL FOURTH OF JULY PARADE

March along or turn out to cheer on the paraders.
Participants receive small American flags and ice cream treats.
Prizes for decorated wheels and costumes.

GOOD OL' FASHIONED PICNIC

FOR ALL BAYSIDE FAMILIES.

A Wonderful day with hot dogs, bratwurst, corn, soda, beer (for those over 21), etc. either free or at "ol' time" prices. Music, raffle and games add to the fun. A great get-together early in September.

(Schlitz Audubon Center invites Bayside residents to visit free on this day.)

"FRIGHT NIGHT" HALLOWEEN PARTY

FOR ALL BAYSIDE FAMILIES

A big bon-fire, refreshments and a costume judging contest.
Come out and meet your neighborhood ghosts!!

**For exact times, dates and location, watch for announcements in your
Bayside Newsletter.**

RECREATION

BAYSIDE TENNIS COURTS AT ELLSWORTH PARK

Reserve a court (\$3.00 per hour per court Bayside residents - \$5.00 per hour non-residents) or take your chances. Sign up at Village Hall. Fees must be paid when reservation is made.

TOT LOT AT ELLSWORTH PARK

Open daylight hours for play and a place for parents and children to get together and make new friends.

BASEBALL DIAMONDS AT ELLSWORTH PARK

Call Village Hall for reservation procedures. (351-8811)

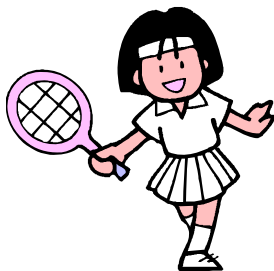

PAVILION BUILDING AT ELLSWORTH PARK

Call Village Hall for rental cost and reservation procedures.

KITE FLYING AND FAMILY PLAY SPACE

Available north of Bayside Village Hall at corner of Regent Road and Fairy Chasm Road.

ELLSWORTH PARK IS LOCATED ON EAST ELLSWORTH LANE BETWEEN REXLEIGH DRIVE AND PELHAM PARKWAY ACROSS FROM THE NORTH ENTRANCE OF BAYSIDE SCHOOL.

INFORMATION FROM YOUR PUBLIC WORKS DEPARTMENT

TRASH

Bayside Department of Public Works will pick up household waste (not yard or hazardous waste). All waste should be placed in containers no larger than 32 gallons and not weighing more than 60 pounds. The pick-up for your home will be weekly, on Monday, Tuesday, or Wednesday. Call the Village Hall (351-8811) to determine the day for your address. Pick-up will be made from outside and next to your garage. Collections begin at 7:00 a.m. so make sure your garbage is available for pickup.

YARD WASTE

If you are a new Wisconsin resident, you should be aware that Wisconsin has passed mandates that prevent yard waste disposal in landfills. Bayside wants to work with you, but we must follow state law. Basic instructions for yard waste disposal are as follows:

- Normal yard waste collection dates are bi-weekly, **April through November** – coinciding with your regular recycling pickup week.
- Please have your yard waste at the edge of the street no later than 7:00 am on Monday of your week.
- Village crews will visit each street only once, whether for yard waste collection or chipping, and the truck will not backtrack for late items.
- Currently, Bayside provides curbside collection of leaves, fruit debris, garden debris, twigs, and brush. The Village does not pickup grass clippings, thatch, sod, or contractor-generated landscaping debris.
If you utilize the services of a lawn service, landscape contractor, tree service, etc., you must make arrangements with them to dispose of their debris.
- Branches up to 6" in diameter may be placed at the edge of the road for chipping. Branches should be neatly stacked and cut ends facing the street.
- To speed pickup and reduce litter, we encourage you to put your yard waste in recyclable brown paper bags or other containers, however, please do not use plastic bags. (See exception for leaves, below.)
- There may be a charge for larger quantities of yard waste.
- In the Fall, leaves must be raked into piles at the side of the road. Please, do not bag the leaves, and do not mix them with other yard waste
- ***There will no longer be yard waste pick up between December 1 and March 31.*** Special arrangements will be made for Christmas trees, or for unexpected events such as severe ice or windstorms that cause widespread damage.

If you have questions on how to handle yard waste contact the Village Hall at 351-8811.

RECYCLING

Bayside has a comprehensive household recycling program that includes driveway pick-up by Village crews and a drop-off center. There are, as part of this packet, separate sheets, which give information that is more detailed and instructions regarding the types of items, which can be recycled, and how these items should be prepared so that pickup and disposal of the recycled materials is as cost-effective as possible. Household pickups are every other Friday. One recycling bin is provided by the Village. If you want a second bin, it can be purchased at Village Hall for \$10.00. If you find when you move in that you do not have a recycling bin, please let us know and we will provide one. Please do the following:

- Place your recyclables up the drive in an area that our crews can drive up to, and be visible from the street.
- Materials should be rinsed and clean and must be ready for collection by 7:00 a.m.
- There are no limits on the amount of recyclable materials that a resident may place out for collection, but if the bin is full, additional recyclables should be placed in an extra garbage can or plastic container.
- Collection crews will "tag" all containers which do not conform to these specifications and will leave the materials behind.

HOUSEHOLD HAZARDOUS WASTE

Bayside participates in a Milwaukee county program that allows Bayside residents to dispose of their household hazardous waste at the Hazardous Waste Facility located at W124 N9451 Boundary Road in Menomonee Falls. (124th Street becomes Boundary Road. Facility is located in the north 9400 block). Call (262) 255-6655 for hours of operation.

DUMPING

Bayside ordinances prohibit dumping anything (including yard waste) at the recycling center, in or near the ravines, or any lake bluff. Dumping will seriously damage our ravines and lake bluffs as well as disturb vegetation and water drainage.

WEED CUTTING

The following weeds must be kept cut on your property:

- Canada Thistle
- Leafy Spurge
- Field Bindweed

If it is necessary for Bayside to cut these, the charge will be placed on the tax roll for your property.

BURNING

Rubbish, bonfires or open burning is not allowed within the Village limits on public or private land.

LAWN SERVICES AND OTHER CONTRACTORS

Please ask your contractors to park just off the edge of the road in front of your home, to prevent any ruts to your neighbor's property.

SNOW PLOWS AND MAILBOXES

From time to time, complaints are received about mailboxes being knocked down by snow plowing. In some cases, claims have been denied due to poor placement or condition of mailboxes. Please check your posts and boxes for a trouble-free winter. Report any damages caused by village crews immediately to the Village Hall, 351-8811. When plowing driveways, snow may not be pushed across the road.

BOAT, MOTORHOME & TRAILERS - STORAGE

Boats, motor homes and trailers may be kept in your driveway, on a temporary basis, throughout April 15th and October 31st of each year. Other than this period of time, these must be stored out of sight or off your premises.

SPECIAL TRASH PICK UP

1. Large appliances or bulky material will not be picked up except by special pick up. These items must be placed adjacent to a residence driveway, **outside of the garage**. Public Works employees **will not** enter the garage to retrieve items.
2. A special pick up can be scheduled at the Village Hall by completing a form and paying a \$50.00 minimum fee prior to pick up date. If actual calculated pick up costs exceeds more than \$50.00, you will be billed.
3. **IMPORTANT NOTE:** Building Contractors, Maintenance, and Landscape Contractors performing work for residents are responsible for the removal of their respective materials. **Contractor debris will not be picked up by the Village.**
4. Special pick up items may not be placed outside the garage more than twenty-four hours prior to scheduled pick up.
5. The Village of Bayside will not pick up any tires, microwaves, refrigerators, freezers, air conditioners, dehumidifiers or any items that contain freon.
Helpful hint: You can use the Yellow Pages to look up freon-containing appliances under Refrigerant Reclaiming and for recycling of computers and monitors under Computers.
6. No hazardous materials will be picked up. This includes many chemicals commonly found in the home or garage. A list of hazardous materials accompanies this page. To dispose of these materials, residents must take them to the Onyx Environmental Services Northern Permanent Collection Facility located at: **W124 N9451 Boundary Road – Menomonee Falls (262) 255-6655.**

Directions from Bayside: Take Brown Deer Road west to 124th Street (Boundary Road). North on 124th Street approximately 0.8 miles; the facility is located on the west side of the road.

Hours: Monday & Wednesday 11:00 a.m. to 6:00 p.m.
Saturday 8:00 a.m. to 2:00 p.m.

For questions on disposal of hazardous materials, contact the Milwaukee Metropolitan Sewerage District (MMSD) at 225-2066, or visit the MMSD web site at www.mmsd.com for information on their Household Hazardous Waste Collection program.

TRASH SCHEDULE MAP

M E Q U O N

OFFICIAL MAP
VILLAGE OF BAYSIDE

MILWAUKEE COUNTY — OZAUKEE COUNTY

WISCONSIN

NIENOW ENGINEERING ASSOCIATES

The Village of Bayside RECYCLING CENTER

WHERE: 201 E. Fairy Chasm Road

HOURS: 24 Hours – every day

- * There will be only two containers, one for paper, and one for all other acceptable recyclables.
- * The paper container will be quite large, and users should deposit their paper as far back in the container as possible.
- * Cardboard is acceptable, but all boxes must be flattened to take up as little space as possible.
- * The second container will be for all other recyclables – just go ahead and mix them together.
- * When the second container is full, Peltz will take it away to empty, and then return the same container. The containers will be returned within one hour from the time they are taken away so make sure to return.

PLEASE REVIEW ENCLOSED GUIDE TO RECYCLING (See next page)

INFO ON OTHER ITEMS TO BE DISCARDED:

MOTOR OIL; ANTIFREEZE; TIRES, FLUORESCENT BULBS, OIL BASED PAINTS, AUTO/TRUCK TIRES, COMPUTERS are hazardous waste and may not be left at the Recycling Center. To find out where these items can be taken call MMSD at (414) 225-2066.

For items like Building Debris from contractors; Refrigerators; Freezers; Air Conditioners; Microwaves; Dehumidifiers, please call Onyx at (262) 253-8620 (there is a fee for disposing of these items.)

AUTO/TRUCK/MARINE BATTERIES cannot be picked up or taken to the hazardous waste centers.

The following items will be picked up by special request – Please call 351-8811 for details: Carpeting; Mattresses; Major Appliances not containing freon and Furniture. See SPECIAL TRASH PICK UP information in this booklet.

Bayside Guide to Recycling

Paper Products...Special Instructions

- ✗ Corrugated boxes should be flattened.
- ✗ Bundle them with twine or tape into a stack no higher than 10 inches.
- ✗ Put paper products into brown paper bags and place on top of your recycling container. Do not mix paper products with GLASS, PLASTIC & CANS.
- ✗ Please remove plastic food liners from boxes.

Acceptable

Newspaper & Inserts / Magazines & Books / Junk Mail
Envelopes / Phone Books & Catalogs / Office Paper / Paper
Grocery Bags / Corrugated & Non-Corrugated Cardboard

NEWS FROM THE BUILDING INSPECTION DEPARTMENT

Home Improvements that need a permit:

Home improvements usually require a permit. If you are doing a home improvement, please call your building inspector to see if your project requires a building permit. Failure to pull a permit prior to starting work will result in a double fee.

Items which require Architectural Review Committee Approval:

- Accessory Structures
- Additions
- Decks
- Doors
- Fences
- Pools
- Railings
- Roofs (if aesthetic change)
- Siding
- Signs
- Windows (if changing size or style)
- Any other items the Architectural Review Committee finds similar in nature

If you have any questions about home improvements, please feel free to call the Village Hall at (414) 351-8811 and ask to talk to the Building Inspector.

You can reach Building Inspector on:

Monday, Wednesday and Friday from 10:00 – 11:00 am.

ANIMALS

LICENSES

Dogs and cats need to be licensed – it's the only way we can help you find a lost pet. Please contact the Public Safety Department (351-8800) or the Village Office (351-8811) for information.

SCOOPERS

A Bayside ordinance requires owners to clean up after their animals. The ordinance states:

If any animal litters any place other than on the premises of the owner or keeper, the owner of such animal shall remove and dispose of any deposited excrement immediately after it has been deposited."

So remember to bring your scooper along when walking your pet. Also, please do not use Village parkland; fellow citizens play there.

NOISE

Please be considerate of your neighbors - control your pet's habitual barking.

CONTROL

All pets must be under the owner's immediate control at all times.

SICK OR INJURED ANIMALS

If you observe a sick or injured animal, call the Public Safety Department (351-8800). If it is rabid, they will dispose of it. If it is injured, they will secure aid.

WILD ANIMALS

Bayside has a population of non-domesticated animals, such as deer and raccoons. These animals should not become dependent on humans for food. Please do not put out any food that will attract wild animals.

Many Bayside residents have found that caps on chimneys provide excellent protection against unwanted visits by furry critters.

WHEN DRIVING – WATCH OUT FOR DEER – BOTH IN THE ROAD AND CROSSING THE ROAD UNEXPECTEDLY.

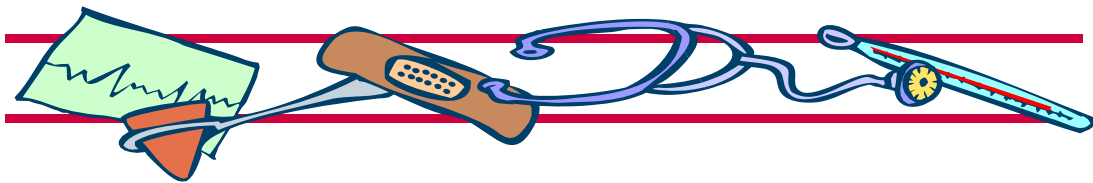

HEALTH DEPARTMENT

Bayside contracts with the North Shore Health Department for health services. You may call 371-2980 for a list of services currently offered to Bayside residents, fees, and appointment procedures.

Some of the services that are usually offered are: immunizations; blood pressure checks and each Fall, flu shots. The Health Department also holds periodic "Over 60" clinics.

You may also call the Bayside Village Office (351-8811) for further information.

POISON CONTROL CENTER – CALL 266-2222

FOX POINT-BAYSIDE LX SENIOR CLUB

The LX Club is a very active, lively group for those at least 60 years young. The club meets at:

Dunwood School, 217 Dunwood Road, Fox Point.

Annual dues are \$10.00 per person.

Besides regular activities (such as cards and games every Monday, a general meeting with a program once a month, tours, free monthly movies, crafts, parties, and several luncheons), the Coordinator always has special programs planned.

For information call:

Coordinator Paul Kintz (351-6060)

Publicity Chair Marion Lochbiller (247-1343).

NORTH SHORE LIBRARY
6800 N Port Washington Road
Glendale, WI 53217
(414) 351-3461

Hours:

Monday – Thursday: 10:00 AM – 8:30 PM
Friday – Saturday: 10:00 AM – 5:00 PM
Sunday 1:00 PM – 5:00 PM (*September through May*)

The municipalities of Bayside, Fox Point, Glendale & River Hills established North Shore Library. The Library is governed by a Board consisting of representatives from each of the communities.

Our library's mission is to help community residents obtain information to meet their personal, educational and professional needs. Membership is maintained in the Milwaukee County Federated Library System, in recognition that a single library cannot always meet the needs of the community. With your North Shore Library card, you also have access to all other public libraries in Milwaukee County; however, make North Shore Library your first stop (or call) for all your reference, book and media needs.

There is an extensive children's program for pre-school and school age. Children may apply for their own library cards when they can print their first and last names without help; a parent or guardian must be along to show identification and sign the application.

A community room is the library for library programs, programs sponsored by the four municipalities, other service organizations, non-profit organizations and, under specified situations, other groups. Contact the library for rules and fees.

Stop in and explore our library, introduce yourself as a new resident, apply for a library card (bring some document with your name and new address – bill, mail, etc) and get started as a North Shore Library patron.

NORTH SHORE LIBRARY DIRECTOR: DICK NELSON

BAYSIDE BOARD REPRESENTATIVES: Tom Sopkovich (414) 351-2385
Sue Saletra (414) 352-9163

FRIENDS OF THE NORTH SHORE LIBRARY

The Friends group is a support organization, which supplements the services that the municipalities are able to provide. The friends sponsor an on-going used book sale in the library, an annual large used books sale and other fund raising events. Some of the Friends' gifts in the past years have been:

- \$15,000 for books
- Circulation Desk
- Community Room painting
- Sponsorship of children's book week & the first time library card program
- Support of the children's' summer program
- Puppet stage
- Projector
- Poetry workshop
- Book trucks
- Copy machine

Please consider joining the Friends and giving North Shore Library your extra support.

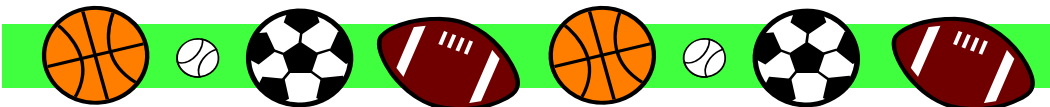

NORTH SHORE LIBRARY FOUNDATION, INC.

A 501(C)(3) Not-For-Profit organization established "to maintain" and augment quality library services thru the special generosity of the citizens of Bayside, Fox Point, Glendale and River Hills". Currently, the foundation is sponsoring a community fundraiser to replace the libraries aging computer equipment. Please contact the library for information on how you can make your tax-exempt gift to this worthy library support organization.
